The Academy Herald

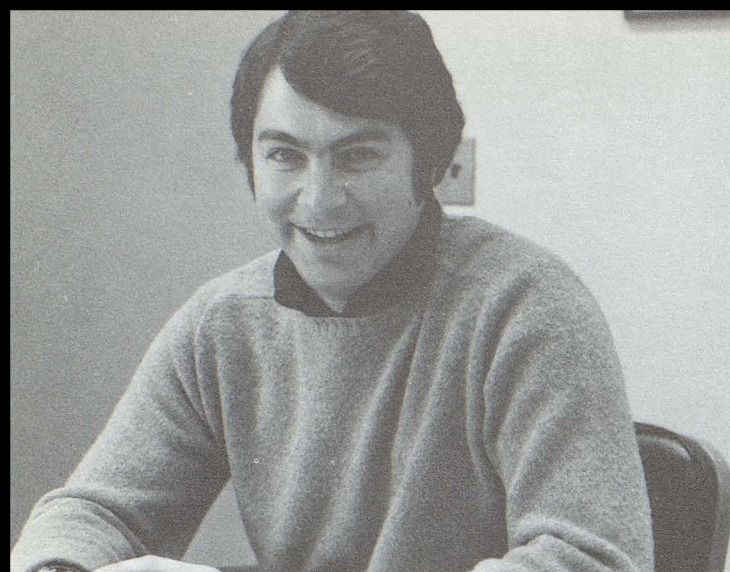

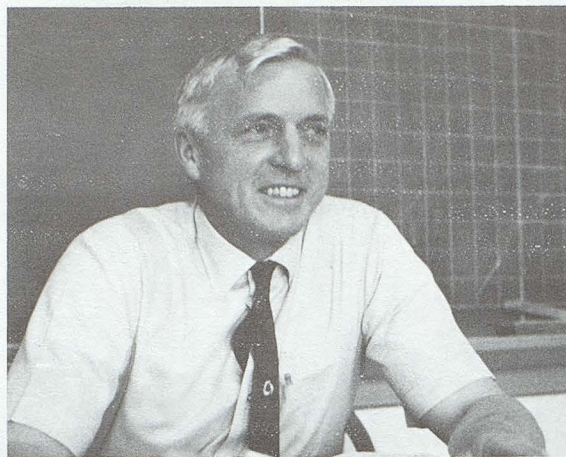

Dedication

Miss Swift's involvement and enthusiasm at Gould will always be remembered. Students and faculty who have known her will find it difficult to believe that she is no longer here, for she has become as much a part of Gould as we are sure that Gould has become a part of her. We thank Miss Swift for all she has done and wish her happiness in the years to come.

Numbering only ten strong, Gould's harriers put in still another outstanding season. Win Thibodeaux led the pack with several victories to his credit and received the Most Valuable Runner Award. He was followed closely by Peter Ohlsen, Bill Ash, and Rick Chandler, which made up four of the top five. Buzz Bean was fifth and earned the Rookie of the Year Award for his staunch effort.

Backing up these men were Diderik Cappelen, Rick Brann, Tom Ratsep, and Mark Bryant; who proved quite valuable when it came to displacing other teams' runners. Dave Baldwin, as Most Improved Runner, showed true cross country spirit.

The team loses only two seniors this year and should have the best season yet next fall under the watchful eye of Coach Vogt and Captain Win Thibodeaux. Beat Holderness!

There is no saying that better fits out team than the saying, "It's not whether you win or lose, but how you play the game that counts." Our season was not a winning one as such, but our team did learn a lot about playing. We had a very small team consisting of one senior, three juniors, and the rest freshmen and sophomores. These boys played in a league and were not afraid to go against the best teams. There were times when a lot would have liked to quit but didn't. There is something on the field which makes you stay out there whether you are hurt or losing. I felt we had a good team with a lot of comradeship and friendship which is found nowhere else but on a football field. The players were all young and learned a lot about the game. With only one player leaving, next year should be a great year.

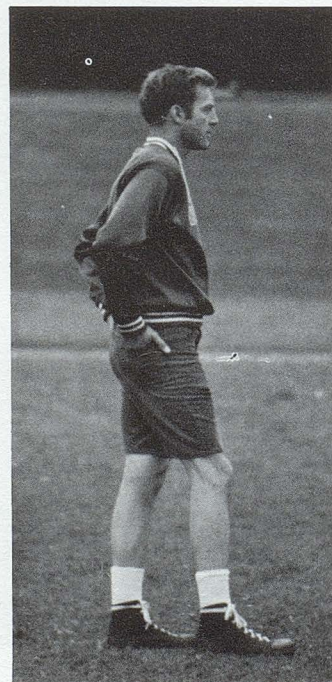

A special thanks to Coaches Feeney, Cousins, and Litchfield, and good luck to the team next year.

VARSITY BASKETBALL

Well, I guess we blew it again. So hard we tried but, unfortunately, so little we lost by.

This year was a little bit different: first of all because the team went on a long trip to the woods of Maine, and second because for the first time we had no real tall man to dominate the rebounding or defense.

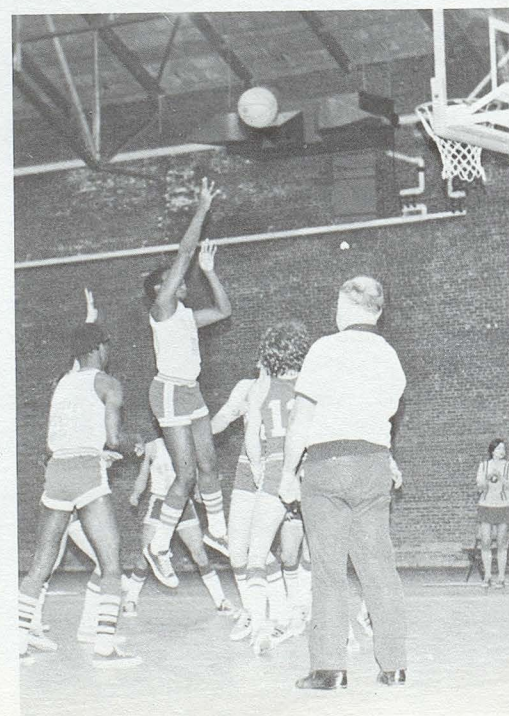

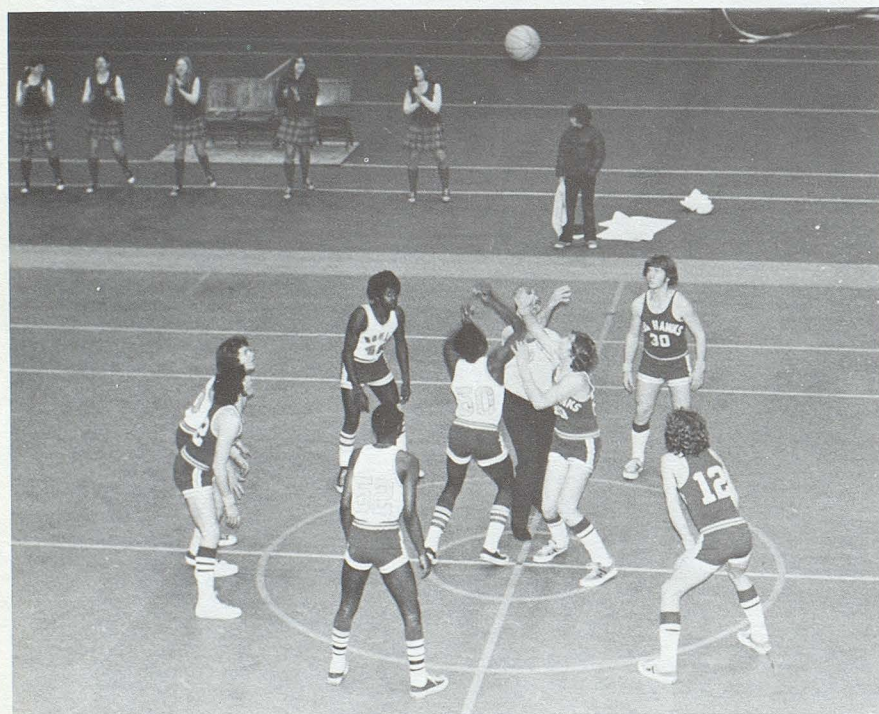

Our first game was quite strange because the players seemed so tall to us. We went out there and thought that they were going to kill us. But we little guys proved ourselves wrong because we out-trimmed them with ease. Leading us in our fast breaks were Gator and David J., and ending it was David Ault and Roland Cruz.

One thing I will stress is that I don't think we played one team that had more pride or inspiration than we had.

This year we'll be losing our Most Improved Player and one of our top rebounders in David J. Williams, and our leading scorer and assist man in Roland Cruz.

However, with super people like Terry, Gator, and David Ault remaining, and with the help of Squeek and Ashley, we have a good chance of getting it together next year.

This year marked the second year the school participated in one of the quickest growing sports of all — hockey. The team did extremely well considering the circumstances — lack of ice time, experience, and personnel. The highlight of the season was when we beat an excellent Hebron team by a score of 10-9 in overtime. This game showed what the players had to have for a successful season — a great deal of determination.

There were three basic units that played. The first was highlighted by the play of Mark Mitchell, Dave Johnson, and Tim Madden. The second line was responsible for the bulk of the scoring with Rick Foyston and Nick Koumantzelis combining for fifty goals. The third line was made up of the first two put together — this was the power line.

All in all it was completely a team effort that led to a very successful hockey season for Gould Academy. Because the interest has grown rapidly here at school, next year should bring about an even better team and season for hockey.

Although the year proved to be disappointing result wise, it also proved to be promising.

In the Nordic events Ohlsen and Cappelen were the cross country standouts, while Chandler and Wiese proved to be the jumping power for Gould. The Alpine team probably had the most potential of any team in the state, but never quite put it all together. Ash, Nichols, and Bean should be congratulated on their making the Maine Alpine Team. Although the team got a seventh in the State and fifth in the New Englands, we won the cross country in the State and got third in the New Englands' cross country. The team finally put it all together at the MAISAD Championships with a solid Alpine effort and an overwhelming Nordic victory.

Special thanks go to Mr. McGuire, Mr. Davis, Mr. Barth, and our faithful manager, Iris Revitz, who all took a lot of "it" from us.

Everyone contributed this year, and with all but three seniors returning, next year should be a good season. Best of luck!

Go out and play the game and have fun! Right, Coach? Are we all set? No, Linda Ault's not. Will the plays go off all right, Ellie? Get set Dionne; don't travel, Libby; oops, Patsy kicks it out of bounds again. Well, we've learned, you can't win them all. We were side-tracked when Linda Ault sprained her ankle, but this didn't stop us. We went on to lose the game anyway. Our season ended with seven losses and five wins, but the Varsity was lost without the J.V. squad. Those games Varsity lost, J.V.'s would pull theirs through with: colorful Louise Ballard, on-the-go Janette Kemp, fast-breaking Mary Sawyer, calm-and-cool Bev Forbes, the-most-noticeable-player Barbara Roberts, scared-stiff Debra Harper, what-should-I-do-now Jenny

Turner, I'd-rather-ski, Ellen Mahoney, center-of-attraction Cynde Gagnon, and our No. 2 fan Cecil Clark, our manager. Help, Cecil, Help!

We will be losing three of our best players: Janette Kemp, Beverley Forbes, and Linda Ault, Co-captain and Most Valuable Player; but among those returning will be Libby Hoy, Most Improved Player, and Michelle Dionne, Best Defensive Player.

It was a recruiting season, Mr. Berry. But you have first look at next year's team. Good luck to all of you!

Lacrosse

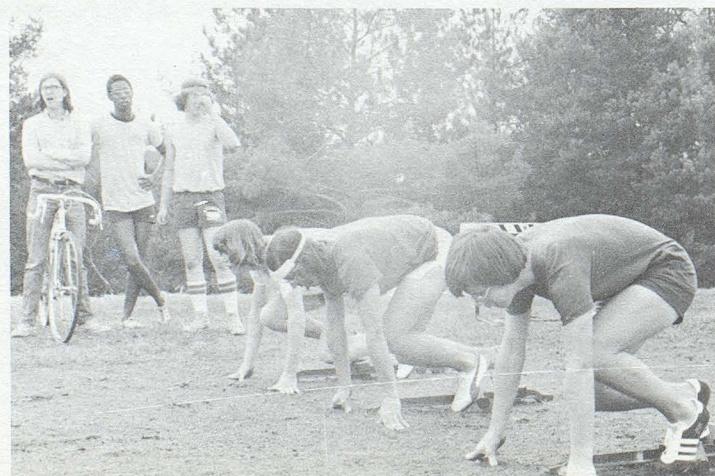

Lacrosse was just introduced to Gould this year. It was introduced to us by Ellen Mahoney and Libby Hoy. We never had any intercollegiate games except when the girls' team scrimmaged against Bowdoin College and lost 4 to 2. We practiced each day, improving more and more each day. The guys in Lacrosse love to scrimmage the girls. It gave them a chance to be rough.

Malcolm Coates was the best player on the boys' team. He would be the first one at practice and the last to leave. Hy Hubbard was the most improved goalie because he was the only one. Our great coaches were Mrs. Pooley and Mr. Van Ness. Without these two, we would have never gotten off the ground.

Track

BACK ROW: Mr. Vogt (Coach), Peter Ohlsen, Win Thibodeaux, Rick Foyston, Mike Moore, Terry Cunningham, Dave Baldwin. FRONT ROW: Don Shuris (Manager), Pat Hobbs, Glen Douglas, Linda Ratsep, Tad Blount, Doug Muller, Nat Rogers.

Although this year's record was unimpressive, the team morale was the highest in recent years, which can be attributed to Coach Vogt's constant encouragement and coaching.

For the first time in Gould Academy's history there was a female participant on a boys' athletic team. Even though Linda did not win her races, her dedication was admired by all.

In the MAISAD Championships, individual talent was the name of the game. Win Thibodeaux scored the most points for Gould with a second in the two-mile and a third in the mile. Doug Muller scored a third in the high jump, and Nat Rogers got a fourth in the triple jump to round out Gould's scoring.

Based on the season's performances, Terry Cunningham was voted Most Valuable Track Man and the year's captain, and Mike Moore was the Most Improved Track Man.

On behalf of the entire track team, we would like to thank Coach Vogt for a rewarding season.

This year's tennis team, more commonly known as the "Organization," met a season of unprecedented total victory. Under the direction of the new coach, J. Clifford Hobbins, the team played more matches (including two colleges) than any other previous year.

Depth was the decisive factor because everyone was good.

Everyone was good at having fun too, as was evident on our road trips where everyone entertained one another. It had become evident that this team understood each other and was closely knit. Next year everyone will be back except our No. 3 man, Bernd Linke.

The squad included Dave Nichols (1); Steve Trowbridge (2); Bernd Linke (3); Skip Chandler (4); Dan Friedman (5); Dave Johnson (6); Jenny Turner (7); Tom Ratsep (8).
